

LOCAL LIST JOB OPPORTUNITIES

The Washington State Department of Transportation (WSDOT) values its employees, challenges them to continuously improve the way we do business, to meet and exceed the needs of our customers, and carry out their duties in an ethical manner.

Certain jobs used by the Department of Transportation have been designated as local list. This means that the Department of Transportation has authority to recruit, test, and hire without going through the Department of Personnel. Applications are accepted only during recruitment periods.
